

## **We Need Revival in This Land**

**Chapel Half Night of Prayer - Friday 6th November 2020 - 6pm to midnight**

**Welcome.** Please come and stay and pray for whatever portion of the night you are able.

During the evening, please feel free to pray for whatever God would lay on, or stir in, your heart, mind and spirit. There is a whiteboard available for you to write down anything that you believe the Spirit is prompting you to record. Sometimes, those thoughts that at first seem quite random, actually begin to connect with what God is saying to others and a theme or picture begins to emerge as God speaks to and through His people.

6-7pm      **Looking back over 2020 with Thanksgiving**

*And we know that in all things God works for the good of those who love him, who have been called according to his purpose. - Romans 8:28*

**Now... looking forward to 2021...** *based on the song "Here and Now" by Jamie Rodwell & Tom Field*

7-8pm      **We need revival in this land, Pour out your Spirit once again**

Pray for our community, our nation and our world

8-9pm      **We're crying out from on our knees, Lord, send revival, start with me  
Let it be here, let it be now, Spirit of God, we need your power**

Let it become personal

9-10pm    **Push back the darkness in this land, Move through your people once again**

Pray for the making and mobilisation of disciples at The Chapel

10-11pm   **We're moving out beyond these walls, To see all people know you Lord**

Pray for the making and mobilisation of disciples in our community through The Chapel, The Trust and the 'Ten Towns'.

11-12pm   **Here and now we will raise a mighty sound, let the walls come crashing down in this city  
As we shout we will keep on circling 'round, let the walls come crashing down in this city**

Engaging the enemy
